Afternoon and Tonight

OF CIVILIZATION'S RISE

performances will be shown
"The Human Adventure,"
a talking picture, sponsor-
ed by the Maryville branch of the
National Association of University
Students according to Dr. Ruth
Lamkin, chairman of the committee
in charge of the picture. The picture will
be shown in the College auditorium.
A large sale of tickets indicates
a large crowd will attend the
showings. The first showing
will be at 2:30 and the second at 4
this afternoon. Tonight's
showing starts at 8.
The picture depicts man's rise
from savagery to civilization.

Students to Attend Hayes Show

College bus will take a group
of students to see Helen Hayes in
"The Regina," in Omaha, March
according to Dr. Margaret Ruth
Lamkin, director of women's activi-
ties at the College.

Arrangements will be made
for the show in the immediate future.
The trip will cost approximately \$3.

... The President Says ...

Rabbi Leon Harrison, one of the ablest of mid-west Jewish
Rabbis, once said that any of us would welcome the opportunity
to talk to a great author. But he added if we really wanted to
know him we should read his books, written when he was alone,
and when he could put all the best of himself into them.

This month a distinguished author comes to our campus.
Mary Ellen Chase is to be here the night of January 24. All who
can will see her and talk to her. But every one of us has access
to the books she has written, and which are in our own rental
library. Those of us who read one or more of her books before
she comes will get more satisfaction and enjoyment out of her
coming.

Eight Candidates for Tower Queens Selected by Classes

Most Attractive Women Students
Chosen in Meetings
Yesterday

FOUR WILL BE NAMED QUEEN

Tower beauty queens for 1938
were nominated at class meetings
held yesterday morning, as follows:
Seniors: Elizabeth Planck, Beth-
any, and Mary L. Powell, Gallatin;
juniors, Lois McCartney, Rockport,
and Marie Holding, St. Joseph;
sophomores, Lois Moore, New
Hampton, and Margaret Wurster,
Lenox, Ia.; and freshmen, Virginia
Thomas, Gower, and Bernice Mur-
ray, Albany.

Pictures of the eight nominees
will be sent by Gene Hill and Fred
Davidson, editor and business man-
ager, respectively, of The Tower, to
some outstanding American person-
ality, who will then choose the four
beauty queens of The Tower from
the eight pictures. The four queens
will be introduced at the Scoop
dance, later in the season.

COLLEGE MUSICIANS ENTERTAIN AT HOPKINS

Don Moyer, Harrisburg, Pa., cor-
netist, Turner Tyson, Skidmore,
baritone, and Richard Swift, Grant
City, clarinetist, provided a musical
program for a community dinner,
held at Hopkins, last Monday night.
Mr. Clare Wigell of the music fac-
ulty of the College, was in charge of
the program.

DEAN FORMERLY AT COLUMBIA

Two members of the College fac-
ulty have tendered their resigna-
tions, according to an announce-
ment by Pres. Uel W. Lamkin yes-
terday. Dr. J. C. Miller, dean of the
faculty, has accepted a position as
president of Christian College in
Columbia. He will leave Feb. 1.

T. A. Gaudin, director of publici-
ty, has also resigned and will leave
for Los Angeles, Calif., March 1.

Dean Miller, who was first dean
of the faculty and then acting presi-
dent at Christian, stated that he is
leaving his position here with con-
siderable regret because of the
friendships he and his family have
formed and because of the fine co-
operation he has gotten from mem-
bers of the faculty and the admini-
stration. The increase in salary
offered, however, was too great a
consideration.

Dean Miller came to Maryville
as dean of the faculty, Sept. 1, 1935.
Mr. Gaudin has been here since
December, 1936.

STUDENTS ASKED TO BE READY FOR PARTY CALL

Arrangements have been
completed for the all-school
sports party, according to
Glenna Smith, St. Joseph, chair-
man of the College social com-
mittee. Students in charge ex-
pect to order a heavy snow
sometime in the immediate fu-
ture, and they advise students
and faculty members to borrow
sleds and skates and to stand
by, ready for the call. The party
will be held at the Maryville
Country Club, and College
buses will be available for trans-
portation. Stand by!

President to Speak At Press Meeting

Noted Writer Will Lecture On "Author and His Reader"

Mary Ellen Chase Has Written
Many Famous Novels: to be
Here Jan. 24

Mary Ellen Chase, outstanding
American woman writer, will ap-
pear at the College in one of the
quarter's entertainment features
Monday evening, Jan. 24, at 8
o'clock. Her subject will be "The
Author and His Reader."

Miss Chase became a famous
writer by hard work. When a girl
of sixteen years, she wrote poetry
and short stories, which were al-
ways rejected when sent to editors.
Among her most famous novels are
"A Goodly Heritage," "This Eng-
land," "Silas Crockett," and "Mary
Peters," novels which contain exact
data, because the author studied her
subjects at great length.

Award Contract for Horace Mann School Building

Dunn Construction Company Are to Build Structure for \$225,000

PLAN TO START IMMEDIATELY

The J. E. Dunn Construction company of Kansas City was awarded the contract for building the Horace Mann school building at a reading of bids at the College Dec. 23. The Dunn approximate base bid was \$225,000.

All members of the Board were present at the reading which took place in Social Hall in the presence of the contractors and other interested persons.

Mr. Dunn stated that he will start excavating immediately if the weather permits. He hopes to have the building ready for occupancy by the middle of September.

Bearcats Defeat Rockhurst Hawks in Easy Game 48 to 29

Visitors Unable to Cope with the Superior Playing of College Squad

The Rockhurst Hawks of Kansas City, were the fourth consecutive college victim of the Bearcats, Monday night, Jan. 3. The score was 48 to 29, Maryville. The Bearcats led all the way and the outcome was never in doubt. The half-time score was 26 to 14.

The Rockhurst cagers could not cope with the locals' plays. Repeatedly the 'Cats were able to punch through for "lay-up" baskets. The visitors put a hustling, well-coached team on the floor, but the height and individual ability of the local players decided the contest.

Sipes, Maryville acting captain, was outstanding on defense, getting more re-bounds off the Rockhurst backboard than the entire Rockhurst team. He also scored seven points.

Shrout, Maryville, and Mathis, Rockhurst, tied for high-scoring honors with 10 points each.

Shortly after the second half started, Rockhurst rallied to draw within six points of the Bearcats. However, Coach Stalcup rushed in replacements and Maryville drew away at will.

BARKATZE ELECT TREASURER

Sue Brown, Richmond, was elected treasurer of the Barkatze pep organization at a meeting of that group last Thursday evening. She succeeds Ethel Hester, who recently resigned from that position.

Edward Gickling, Richmond, president of the Barkatze, presided at the meeting, at which plans were made for the "Barkatze Kapers" dance and also for rehearsal of a stunt to be presented at a future basketball game. The organization also granted concession rights to the Green and White Peppers, pep squad, to sell refreshments at the dance last Saturday night.

Pittsburg, Kas., Is Beaten Second Time This Year by Locals

By a 27 to 20 Count, the Bearcats Emerge Victorious for Fifth Time This Season

In their first game away from home, last Friday night at Pittsburg, Kas., the Bearcats emerged victors over the Pittsburg Gorillas, 27 to 20. This was the second win of the season over the Kansas Teachers. Earlier in the season the 'Cats beat the Gorillas 36 to 28, here. This was the fifth straight win over collegiate competition and made the season's record six wins in seven starts.

It was the first Bearcat victory at Pittsburg since 1932.

Maryville led all the way except for a momentary tie early in the second half when the Gorillas spurted. However, the Bearcats put on the steam to draw away.

High scoring laurels were won by Dale Hackett, Maryville guard, who poured in five goals and four free tosses. Hackett's play has been on the upgrade all season and it really sparkled against the Gorillas.

The game really was won from the free toss line. Maryville converted eleven of sixteen charity tosses against two out of thirteen for Pittsburg.

Heart Blood Clot Brings Death to Mr. E. M. Carter

Secretary of the State Association Dies Unexpectedly in Columbia Hospital

Ewell M. Carter, secretary of the Missouri State Teachers Association, widely-known educator, died Dec. 28, in Noyes Hospital at Columbia. He entered the hospital Dec. 11, suffering from a minor illness. His death was unexpected, as he seemed to be improving steadily. Death was due to a blood clot in the heart, physicians said.

Mr. Carter was born on a farm near Hallsville, June 1, 1877. He received the degree of B.S. in Education from the University in 1905. He was superintendent of schools at Doniphan, Mo., from 1905-07. He then became state inspector of rural schools and held this position from 1907 to 1911. He was director of field and extension work at the Southeast Missouri State Teachers College at Cape Girardeau from 1911 to 1915.

Mr. Carter had been secretary of the Missouri State Teachers Association since 1915. He also taught at the Oklahoma Normal School for a year, and was an instructor in the Boone County Institute for two years. He was business manager of the Southeast Missouri Athletic and Oratorical Association for five years; he also served as president of the Southeast Missouri Teachers Association in 1907.

Mr. Carter was a member of the

National Education Association, and of the Department of Superintendents of the National Education Association. He was editor of the "Bulletin," published by the Missouri State Teachers Association, from 1915 to 1920.

He was a member of the Baptist Church, the Masons, the Kiwanis Club, Phi Sigma Sigma, and Phi Delta Kappa.

Mr. Carter had charge of the annual convention of the state teachers. He was also deeply interested in the teacher retirement plan, which was rejected by the last legislature.

His home is at 717 Gentry Place. He is survived by his widow, Mrs. Alethea Carter; a son, Procter Carter, Jefferson City, assistant director of the social security board; and a daughter, Mrs. Frances Carter Barnett, wife of Dr. Gordon P. Barnett of Kansas City.

Miss Mary Louise Lyle, who is teaching in the Graham public schools, was visiting friends in the Hall Saturday afternoon.

Large Audience Sees Pictures of Orient Taken by Mr. Sayler

Moving Pictures Are Shown in College Assembly Following Vacation

Moving pictures of Shanghai, China, taken by Norval Sayler, the College mathematics department just three weeks before the city was bombed were shown in the regular assembly Wednesday, January 5.

The films, taken on the spot, made by Pres. and Mrs. Uel Lamkin, Mr. and Mrs. Sayler, Miss Mary Fisher to the meeting of the World Federation for Disarmament Association in Tokyo last summer, showed much of the devastation of Shanghai, which was center of the bombing in September.

The finest pictures of Chinese scenery were those of the city of Canton, which, it has been predicted, will be bombed within a short time. Boats of the Whangpoo river, which have since been destroyed, were shown. The entire film pictured the setting in which the Chinese and Japanese are now fighting.

Several scenes of Tokyo and the Association meeting there, which President Lamkin acted as secretary-general were shown. There were also pictures of Manila, capital city of the Philippine Islands.

As an introduction to the showing foreign scenes Mr. Sayler showed several pictures taken at the College, students, and professors and of other places about Maryville.

A COLLEGE OF MINOR PROBLEMS

We students in the College often "gripe" about certain things on this campus that do not always "go to suit us." But if the situation is studied, it will be found that these problems are not really problems, or, at most, are only minor ones. And we have a minimum of minor problems, it will be discovered.

If every student in this institution could attend national conventions such as the one held in Albuquerque, N. M., last month, it would soon be discovered that we actually do have a very minimum of minor campus problems. At meetings such as those, real campus problems are exposed.

For example, consider the things taken up by one commission in the NSFA congress last month: student forums, the newspaper, athletics, fraternities and sororities. As far as is discernible, there are no real problems on our campus relative to these questions. But on some campuses, they present a real problem.

Consider, for example, the questions taken up in another commission meeting: orientation, social regulations, finances, student-faculty relations and curriculum. Here at this College, there are no problems of a major nature concerning the College administration or student administration and those questions. But on other campuses, definite problems present themselves each week to the college and student administrations relative to those subjects.

We may say, then, that because of the efficient operation of both the College administration and student administration, this institution has "well in hand" the difficulties met with by administrations of other educational institutions in the country. It may also be stated here that the College's delegates' recommendations to commissions at the Congress regarding national problems of campuses were in many instances adopted. Our delegates recommended as solutions to these problems the methods employed on our campus.

A CRITIC OF "THE STROLLER"

Within the past three weeks, the editor of this newspaper has received two anonymous notes which, among other things, accused THE MISSOURIAN of being partisan. The notes dealt especially, however, with a certain column in this paper known as "The Stroller."

The writer of those notes is evidently unaware of the ways in which the staff undertakes to publish this newspaper. If he could but see and hear the emphasis to the staff to seek out every bit of news in the College so that it may be published, he would not feel himself justified in stating that this paper is partisan.

The staff of this paper earnestly attempts to publish the best weekly newspaper it possibly can, and it is indeed a task to fill eight pages each week

with news of happenings on the campus. We, therefore, attempt to cover all the news of the College.

We have received criticisms before; plenty of them. But we attempt to "stay in the harness" and publish what we hope to be a paper which will be a credit to the students in this College.

Which brings us to this idea: For the past three years, the editor has been asking people in the different walks of College life to "cover" items in their particular surroundings which could go in our Stroller column to make it more diversified. In some cases, the persons have promised that they would write up items—but only a few times did copy (of one or two items) appear. They, however, were printed.

Now: THE MISSOURIAN is perfectly willing to cooperate with the student body in printing a better Stroller column (as is the Stroller, himself) if the members of the student body would only cooperate with this newspaper. How? By contributing articles for The Stroller which would be suitable to appear in a newspaper which definitely, is not partisan to any person, persons or organization on the campus.

EDUCATION SUFFERS ANOTHER LOSS

Missouri education suffered another irreparable loss in the death of E. M. Carter, widely known and loved secretary of the State Teachers Association, Dec. 28, in Columbia.

The esteem which Missouri school men and women held for Mr. Carter is well indicated in the fact that he had been secretary of their organization since 1915.

We offer our deepest sympathy to Mr. Carter's widow and children. They have lost a splendid husband and father. Education in Missouri has lost one of its strongest ribs.

THE COLLEGE RENDEZVOUS

Residence Hall is one of our College social centers. But too few students realize that it is for the pleasure and benefit of all students, not just a few. Just because one is not well acquainted at the dormitory is no reason for not going there; to the contrary, it is an excellent place to get acquainted.

College women who do not live at the dormitory are particularly welcome. Some good times are had there around the hearth.

Students who have experienced it appreciate the hospitality of Dr. Margaret Ruth Smith, Miss Ruth Villars and the students who live in the Hall. More men and more women, singly or in couples, should take advantage of it.

CAMPUS COMMENT

Echoes from the Congress: It was a long old journey from Kansas City to Albuquerque on the Sante Fe . . . It took two locomotives on the front of the train and two on the back to shove the long passenger over the Rockies at Raton Pass, N. M. . . But the trip was well worth the time making it. . . The only difficulties on the entire trip were the losing of three hair combs en route, and an infection on one delegate's wrist . . . Some beautiful mountains and valleys were witnessed . . . A mild climate was enjoyed, but upon returning to Missouri, the delegates almost sent a note to our New Mexico friends asking them to come "back East" and enjoy just as nice weather . . . Since then, however, the weather here has changed . . . Saw lots of Indians and Mexicans . . . Visited an Indian Pueblo near Albuquerque, but didn't give the Indian "papooses" any pennies, for which they had asked . . . Mainly because we didn't have the pennies . . . Rode all New Year's Eve and Day en route home. . . Had dinner at the Kansas City Club and saw "Rosalie" at Loew's Midland in Kansas City New Year's Night . . . Arrived home in the wee hours of Sunday morning, Jan. 2 . . . Glad to be back, but with satisfaction of having a wonderful time at a wonderful congress.

Let's attend the movie on our campus this afternoon or tonight, entitled "The Human Adventure." It will no doubt prove to be educational as well as entertaining. The admission price is not high, and the returns go to a worthy cause.

I sit and wonder.
Unconsciously my eyes rest on

Their skeleton arms stretching upward—
Grasping—For what?
Are they, like us, ever seeking
The glorious unknown;
Endlessly struggling toward
An invisible goal?

EDWARD MORGAN WINS LAW DEBATE HONORS

Edward P. Morgan, formerly of Gallatin, Mo., and a graduate of the College in the class of 1934, recently received the coveted law debate honors at Georgetown university law school in Washington, D. C., it was announced here this week. Morgan received the Bachelor of Arts degree from this institution. Morgan won his way through two

preliminary arguments on a which had its setting in Missouri and then was adjudged the best of four debaters in the final round which was presented before the distinguished lawyer-judges. One of the judges was a member of the court of appeals of the District of Columbia.

This former student had been elected to the Missouri State Assembly, but resigned to take a law course at Georgetown. He was active on the College campus in social science, speech and debate.

TO HOLD ESSAY CONTEST FOR HIGH SCHOOLS

The Citizens Council for Missouri Libraries announces a contest on the subject "What County Library Service Could Contribute to This Community." This contest is open to students in high schools in communities of 2500 or less and to students from rural communities attending high schools in larger communities.

Prizes offered are 1st—\$15.00, 2nd—\$5.00, 3rd—5 of \$1.00 each. Contest closes April 1, 1938.

It is hoped that principals and teachers will cooperate in interesting their pupils to enter this contest, and write on a subject of universal citizen concern.

For further information and suggested sources of material apply to your County Superintendent of Schools, to Miss Ruth O'Malley, Missouri Library Commission, Jefferson City or to Mrs. Frank B. Herson, Higginsville, Chairman of the Essay Contest.

NEWMAN CLUB VISITS CONCEPTION AND CLYDE

A trip to Conception and Clyde visit the Monastery and the Convent was made on Sunday by the Newman Club. The members, accompanied by Miss Kathie Franken, sponsor, left from Newman Club House early Sunday morning and attended Holy Mass at Conception Abbey at 8 o'clock.

The Abbey Church was decorated in the Christmas manner with poinsettias featured. The Mass scene depicted in miniature was reported from Europe and is done exactly to scale.

The club visited the library which contains a number of very fine volumes. There they were shown some of these books which are written and beautifully illustrated in color. The Museum maintained there, which contains a fine collection, was also visited.

After a short talk on monastic life the students went to the Convent at Clyde. They visited the chapels in the convent. A short lecture was given by one of the sisters on the mosaics and the paintings. The altars in both the Adoration Chapel and the Relic Chapel are white marble from Italy and pillars in the Adoration Chapel from Aberdeen, Scotland. There are a number of rare paintings from Europe and also a number that were painted at the Convent. The club also made a trip over the grounds.

They then returned to The Abbey Church where Father William Herson an organ recital which included Christmas music played in the Mass for Pope Pius at His Christmas Mass.

The trip was made in the College Bus. The Club returned to Maryville shortly after noon.

PEP SQUAD MAKES TRIP

Approximately thirty-eight members of the Girls' Pep Squad of the College high school organization attended the basketball game at Elmo last Friday night, January 1, Elmo.

Miss Lucy Mae Benson, a member in the College, acted as sponsor for the evening.

The final score of the game was Elmo 36, Maryville 12.

Louise Gutting Is Married

The wedding of Miss Louise Gutting, daughter of Mr. and Mrs. J. G. Gutting of Kahoka, Mo., and H. Llewellyn Harris, son of Dr. and Mrs. L. H. Harris of Kansas City, Kas., took place Christmas day at the home of the bride's parents. The candlelight ceremony was performed by Rev. Milton J. Dawson, pastor of the First Christian church of Kahoka, before an improvised altar of Christmas holly, ivy, southern smilax and mistletoe.

Snapdragons and greenery banked the mantles and colors of blue and silver were used in the room decorations.

White slipper satin fashioned the bride's floor-length wedding gown, which was made along princess lines, and designed with a slight train, a small collar and leg-of-mutton sleeves. The sleeves fastened from the elbow to the wrist with satin covered buttons, also used to fasten the back of the dress. Her veil of white tulle was attached to a tulle cap by a triple band of orange blossoms. She carried a point-lace handkerchief which the bridegroom's mother carried at her wedding thirty-three years ago. Her bouquet was of roses, sweet-peas and bay breath.

Following the wedding, a reception was given for seventy-five guests. Mr. and Mrs. Harris left immediately for a short wedding trip.

Mrs. Harris attended the College three years where she became a member of the Sigma Sigma Sigma sorority. At present she is a member of the school faculty at Williamstown, Mo.

Mr. Harris is a graduate of Wyandotte high school in Kansas City, Kas., and attended the junior college there.

The couple will make their home in Kansas City, Kas.

STILL "TOPS"... after 31 Years As a Tobacco Auctioneer

Veteran Jim Edwards tells why tobacco experts prefer Luckies 2 to 1...

"I recently sold 489,000 pounds of tobacco in one 6½ hour day," says Mr. J. N. Edwards of Farmville, North Carolina.

"There was a buyer, naturally, for every one of those 489,000 pounds... But there was as much difference between the best grades and the inferior, as between a pretty girl and a homely one.

"At auction after auction, I've seen Lucky Strike go after the prettiest lots of tobacco. It's no wonder Luckies taste so good. I've smoked them since 1917.

"And another thing... even after yelling out tobacco bids

all during a seven hour day, Luckies are still just as easy as ever on my throat."

Only Lucky Strike offers you the finest tobacco plus the throat-protection of the exclusive process "It's Toasted". This process takes out certain irritants found in all tobacco—even the finest.

Men who know tobacco from A to Z—experts like Mr. Edwards—are surely good judges of cigarettes... Sworn records show that, among independent tobacco experts, Luckies have twice as many exclusive smokers as have all the other cigarettes combined.

Important Resolutions are Adopted Student Congress

Student Organization Meeting at Albuquerque Makes Its Recommendations

Included in the following paragraphs are several of the more important resolutions drawn up by the thirteenth annual congress of the National Student Federation of America at its annual meeting Dec. 28 to Jan. 1 in Albuquerque, N. M. The resolutions printed here are those which the Federation deemed necessary on the campuses of member colleges.

The commission on "Why" drew up the following reasons for a student council: 1. For the protection of student's rights. 2. For the mutual agreement to be found between students and administration. 3. For the mutual education of the student upon the council and the student not on the council in the participation in a social democracy. 4. For the accomplishment of the responsibilities that students have which must be carried out in self-government.

Powers Vested in Council

Commission two, entitled "What," recommended that the council should function in a legislative, administrative and judicial capacity. In the legislative field, the commission found that all legislative powers of student government should be vested in the council. Suggested fields within the council's scope are organizations, elections, publications, finances and student assemblies and forums.

Administrative Branch

The administrative branch would contain the councils participating in promoting freshman orientation, social regulations, student-faculty relations, honor system, and other current problems unique to the individual campus. The council may exercise its judicial function in either of these three ways, the commission found: 1. by actual administration; 2. by delegated administration; 3. by supervisory administration.

Structure of Council

Realizing that it was impossible to designate a particular structure of government as a national standard for the councils, the commission on "Structure" drew up the following recommendations:

1. The structure of the student council should provide for the functioning of the legislative, judicial, and executive duties of student government. This can be best accomplished by representation from special interest groups on the campus in conjunction with representatives from the student body at large. Factors influencing the choice of structure are the size of the student body, the number of colleges within the school, the number of special interest groups, and the presence of other representative governed bodies.

Should be Representative

2. The elections should be conducted in such a way as to secure officers that are representative.

3. The elections should be conducted in such a way as to prevent the selection of inexperienced students for major offices by requiring ample past participation in student government work, an open declaration of the candidate's qualifications, and a statement of his platform. Wide-participation in student government elections should be encouraged.

4. Faculty opinion should be represented on the student council.

Honor System

The commission on "Direct Administration" made the following abbreviated report: The commission believed that the honor system de-

pends upon the individual college, its traditions and circumstances. The honor system should be established and controlled by the students with limited faculty participation. The following limitations were added: 1. An inadequately supported honor system does more harm than good. 2. The administration of an honor system is interfered with by campus politics. 3. The honor system should be a personal institution and not dependent upon reporting by fellow students. 4. The exemption of any particular class or group of students from rigid compliance with the standards set by the honor system will undermine it.

Should Coordinate

The student council should coordinate an orientation program. There is definite need for an initial period of orientation—possibly even before registration, and at least for the first few days of the school year. This orientation should be carried beyond the initial period as far as is deemed necessary on the individual campus. The direct administration commission resolved that social regulations should be made by students with the consent of the administration, and enforcement of social regulations should be made by student courts.

Should Control Finance

The student council should control its own financial activities and reserve the right to investigate the financial system if necessary. There should be a system of checks upon the student council—an auditor or student comptroller.

The council should have a representative on the college curriculum committee, the congress agreed. Barriers in student-faculty problems can best be broken down by informal meetings of faculty and students on the council, or two separate meetings of the two individual bodies, and by personal relationships.

Forums Beneficial

The following topics were considered by the "Supervisory Administration" commission:

Forums: it is found that open forums are beneficial to campus unity. In case there is no previous organization, the student council should instigate the formation of such a body. This should be sponsored by a definite organization discussing all problems pertinent to student body life.

Editor on Council

Newspaper: The editorial policy of the college newspaper should be formed from the newspaper staff. Nevertheless, a close parallel should be drawn with student opinion. This can best be gained by having the editor sit on the student council.

Athletics: The student council should have a voice in the determining of the intercollegiate athletic program, in so far as the student body constitution permits. The athletic program should be formulated with student body opinion in mind.

Fraternity Cooperation

Fraternities and sororities: The student council does not generally have direct control over fraternities and sororities. However, a spirit of cooperation should prevail between student government and house councils.

Employment: It is believed that a definite yearly program of employment is beneficial to the undergraduate. A definite agency sponsored by college authorities should be organized for the purpose of securing positions for the students following graduation.

National Affairs

The commission on representation stated that unless the national affairs

directly affect the individual campus the student councils should take no action.

The "Stimulation" committee agreed that a student body should be stimulated along ethical, religious, and intellectual lines.

For Chinese Relief

The congress recommended that the NSFA approve the non-partisan Chinese University Relief campaign of International Student Service and urged that member councils initiate campus-wide drives for funds. It also urged that councils cooperate with the Student Christian movement activity where previous initiative has been taken in the relief project.

French Posters of Chateaux, Churches Are Exhibited Here

Curiously-Titled Pictures Are Displayed by Miss Olive S. DeLuce

Miss Olive S. DeLuce, chairman of the fine arts department, this week placed on exhibition at the College a group of French railway posters of chateaux and churches. The three posters in the case before the auditorium are but a sample of the large group which will be found on the fourth floor in the corridor and in Miss DeLuce's studio.

Those who see the posters will no doubt be curious as to the titles they bear at the top. "Chemin de fer" is the French for "railway;" the rest of the name indicates which railway published the poster. Thus "Chemin de Fer de Paris a Orleans" becomes intelligible as "Paris to Orleans Railway," "Chemin de Fer de l'Etat," as "State Railway" and "Chemin de Fer du Midi," as "Railway of South France." The "Chemin de Fer de l'Etat" runs through Normandy and Brittany in west and northwestern France, the others through south central and southwestern France.

Labels Explain

An explanatory label has been placed above each poster. In many cases the "department" in which the chateau or church is located has been indicated, so that those who are interested may look up the location on the large map of France which hangs on the west wall of the fourth floor corridor. (Department is the French equivalent of our state.)

An interesting poster is that in the second-floor case which shows the court of the historic chateau of Blois. This chateau, which is in shape a hollow square, was begun in the thirteenth century by the building of one side of the square. Each of four kings built a side to complete the structure under Louis XIV. The view shown is a detail of the staircase built by Francis I, seen against a background of the wing built by Louis XII. The miscellany of styles in which the various parts of the chateau are built make an interesting study in the history of French architecture.

Many Struggles for Power

Interest attaches to Blois not only because of its architecture but also because of the many stories told of its occupants. Blois has witnessed struggles for power between queens and the favorites of kings. Here was born Louis XII and here were assassinated the duc de Guise and his brother, the cardinal by the command of Henry III. The tapestries which hang the walls of Blois are not more rich than those which the imagination adorns its silent corridors.

Interesting Chateaux

On the fourth floor are to be seen many other interesting chateaux. The west wall also displays a few

churches which are interesting in themselves and still more interesting because they typify the religious spirit of the French people. The little Breton Chapelle de Saint Herbot is a symbol of the reverence, trust and filial piety with which the fisher folk regard this patron saint who is their bulwark against the storm and their refuge in time of sorrow. In every way he is concerned with the perilous necessity of gaining a living.

Rooted in Daily Life

The Cathedral of Notre Dame de Coutances, with its spires which seem literally to soar to heaven, is equally strongly rooted in the daily life of the people who struggled to build. But, as they built, they left below them their grosser needs and climbed toward the highest pinnacles of pure emotion, of adoration of the Virgin, Our Lady of Coutances.

One poster, too, of Carcassonne, a lovely portrait, in a blue which can only be called celestial, of that fabled city which seems still to slumber within its walls, begun by the Visigoths; Carcassonne, whose significance is such that he who has fallen short of his goal in life or betrayed his ambitions may say with the Frenchman, "Je n'ai jamais vu Carcassonne"—"I have never seen Carcassonne."

Bearcats to Play First Conference Game Here Tuesday

Local fans will get their first glimpse of the Bearcats in conference competition Tuesday night when the Maryville loopsters play Kirksville here.

Maryville is favored to win but any display of overconfidence might prove disastrous to the local cagers. Kirksville has ten returning lettermen from last year's fifth place squad and have won several early season games. However, in their first conference engagement Springfield defeated them.

With important conference battles looming on the horizon, Coach Stalcup is anxious to make the best showing possible.

College Debaters To Participate in Kansas Tournament

Three debate teams will leave early tomorrow morning for Pittsburg, Kas., to attend their first tournament of the season, according to Dr. J. P. Kelly, chairman of the department of speech.

The meet is open to junior college students only.

The following students will make the trip: Harold Bruggeman, Frank Strong, Maryville; Jean Schneider, Stanberry; Kenneth Harper, Pickering; Stuart Queen, St. Louis, alternate; Maxine Prewitt, Smithville and Virginia Gibson, St. Joseph.

Intramural League Completes Third Round of Battle

The intramural league completed its third round last week with the Ramblers, Pilgrims and Doozies leading the pack. All three teams have won three games without a set-back.

Results of the games last week are: Doozies, 24, Chicks, 10; Sigma Mus, 17, Puritans, 26; Destroyers, 16, Bombers, 15; Ramblers, 30, Warhorses, 13; Moore's Basketeers, 12, Pilgrims, 22; Flashes, 14, Hash-slingers, 27; Chicks, 17, Flashes, 33; Warhorses, 11, Doozies, 16.

Band to Make Tour of Missouri Towns for Concerts Jan.

Group to Play at Grant City, Hannibal, Princeton, in First Large Ensemble Tour in 3 Years

Jan. 25 will be a high spot in the music department of the College. On that day, the band, under the direction of Mr. Clare Wigell, present concerts at Grant City, Hannibal and Princeton.

There will also be special numbers by students of Miss Mary Kerr, Miss Alline Fentress and Herman Schuster of the conservatory faculty.

This is the first tour which a large ensemble has taken for several years, according to Mr. Verne E. Irvine, chairman of the department.

FINE ARTS CLASS EXHIBITS DESIGNS

The fine arts, 11, class is the one in which one may discover whether he has artistic ability or not. On he finds, to his surprise, that he has an aptitude in this direction.

In the show-case just outside R. E. Baldwin's office on the second floor is a display of original designs which the class has completed. The students taking the course have had no previous training in art; they completed the projects at the end of twelve weeks of class work.

Several of the students whose work is represented are: Orlo H. E. E. Hunt, Frank Hayes, E. Meyers, Virginia Millikan, E. Reed, Willia Mayfield, and Elizabeth Williams.

BEARCATS DEFEAT CLEVELAND CHIROS OF K. C. 33 to 27

Dick ShROUT Leads in Scoring Quick Drives Around His Guard

The Bearcats defeated the Cleveland Chiros of Kansas City, Mo., Saturday night, Jan. 11, at the local gymnasium. The score at the half was 11-11, Maryville.

Better team play was the deciding factor in the victory for the locals. Although the invaders were "star-studded," including Praisewater and Hal Bird, for Bearcats, they lacked team coordination. Many of their shots were either from far out or made very closely guarded. Praisewater made three sensational goals from difficult angles.

COLLEGE CAGERS DROP HARD BATTLE TO NAISMITH TEAM

Evans Paper Quintet Wins Over Thriller from Bearcats 39 to 37

Inability to connect with set shots from the field cost the Bearcats victory Saturday night, Jan. 11, they dropped an overtime contest to the tall W. Evans Co. cagers of Kansas City, 39 to 37. The score at the end of the game was 33 all. It was the first loss of the year for the locals.

Early in the game the visitors found that the 'Cats were missing their long goal attempts. Being experienced, they drew back and their basket in a zone defense completely stopped the locals' play. Not until the last ten minutes were the Bearcats able to hit from the field and make Evans Paper fold the ball.

ART STUDENTS PLAN TRIP TO DES MOINES

A trip to Des Moines—one of the best art centers in this country—is a guarantee of pleasure to anyone who is interested in art.

Miss Olive DeLuce, chairman of the art department in this College, and several members of the art department are planning such a trip one week from tonight. They will visit elementary and high schools in Des Moines to see the types of art instruction given and the quality of the work done by students.

Particulars concerning this trip are posted on the bulletin board in Room 401. Reservations should be made with Miss DeLuce not later than tomorrow, January 14.

INITIATES FOUR WOMEN

Four women of the College were formally initiated into the Alpha Sigma Alpha, a social sorority on the campus, at a meeting held at the local chapter house on Ninth and Walnut Streets, Sunday morning. After the initiation, the new members were served with refreshments and the entire group of girls attended church.

The new actives are Iola Argo, Skidmore; and Harriet and Dorothy Lasell, and Nydra Snyder, all of Maitland.

SOCIAL SCIENCE CLUB TO MEET MONDAY EVENING

Dr. D. J. VanDevander, pastor of the Maryville First Methodist church, will speak at a meeting of the College Social Science club at 7:30 o'clock next Monday evening in Social Hall, according to Hubert Hadorn, president of the organization.

Dr. VanDevander's subject will be "The Church and Social Problems."

ART CLUB TO MEET

The regular meeting of the Art Club will be Monday night, Jan. 17, at 7:30 o'clock on the fourth floor of the College. The program planned will be drawing from a model. Those interested in becoming members of the Art Club see one of the officers: President, Sue Bell; vice-president, Gara Williams; secretary, Dorothy Dalbey; treasurer, Marjorie Fisher; reporter, Glen Dora Lehman.

NOTICE!

To Candidates for Graduation at Close of 1938 Summer Quarter

If those students who plan to complete requirements for the A.B. or B.S. degree, or the Sixty Hour Certificate, at the close of the 1938 Summer Quarter, will so signify their intentions at the office of the Registrar, a SENIOR STATEMENT SHEET will be prepared for degree candidates and a SIXTY HOUR CHECK SHEET for certificate candidates. These statements and check sheets may then be used for reference and guidance during registration for the Spring and Summer Quarters. We would be glad to have you see us at once if you plan to complete your course at the close of the Summer Quarter.

TWO GRADES ADOPT NEEDY FAMILY FOR CHRISTMAS

Grades seven and eight in the College elementary school adopted one of Maryville's needy families on Christmas day, and a basket of food was delivered on that day, it was announced this week by Miss Dora B. Smith of the education department.

Included in the basket was the following food:

Cottage cheese, two quarts milk, two loaves bread, one cake, one can hominy, one can spinach, two jars tomatoes, onions, two cans mixed vegetables, two jars jam, one quart peaches, one quart pears, one

chicken, meat, one dozen eggs, three pounds lard, one peck apples, three cans corn, three pounds prunes, four pounds turnips, one bunch celery, one pound butter and one and one-half pecks potatoes.

TO CHOOSE CAST FOR PLAY, "CRADLE SONG"

Tryouts were begun Tuesday evening of this week for the cast of characters to be included in the O'Neillian Club play, "Cradle Song," a two-act comedy to be presented at the College in the near future. According to Dr. J. P. Kelly, chairman of the speech department, another tryout will be held next Tuesday evening. Tryouts are held at 7 o'clock in room 224.

The play, a Spanish comedy by Gregorio and Maria Martinez Sierra and translated into English by John Garrett Underhill, calls for thirteen women characters and two men. It has received outstanding commendation in metropolitan newspapers.

Any College student interested in joining the O'Neillian dramatics club and any member of the club may try out for parts, Dr. Kelly stated.

ATTEND HILL FUNERAL

Eugene Hill, a junior in the College, business manager of The Tower, was last Saturday called to his home in Calhoun, Mo., by the death of his brother, Charles Hill, aged 28. Hill died Saturday of an internal hemorrhage. Funeral services were held Sunday afternoon at Calhoun.

Mr. Roy Ferguson, assistant business manager of the College, accompanied Eugene Hill to Calhoun, and remained there until Sunday following the services.

Romaine E. Kious, Carroll, Ia., Bernard Richards, Oregon, and Louis Carter, Richmond, acted as pallbearers.

Dr. J. P. Kelly, chairman of the department of speech, will read "Enoch Arden" in the regular assembly at the College Wednesday, Jan. 19.

Fredia Bennett, B. S. 1927, returned recently from Corvallis, Ore., where she had been teaching, to accept a position as state clothing inspector with headquarters at Columbia, Missouri.

S.T.C. Cagers to Leave for Rolla, Cape Tomorrow

Bearcats Meet Two Conference Foes Friday and Saturday Nights

The Bearcats will leave tomorrow morning for Rolla where they will engage the Miners in a conference game tomorrow night. From Rolla the locals will go to Cape Girardeau for a battle with the highly touted Cape Indians in another conference tilt Saturday night.

Little trouble is expected from the Miners. They have lost several games already this season. The Maryville cagers are heavy favorites to win by a comfortable margin.

At Cape Girardeau the 'Cats will face a real test of their strength. Cape has a bevy of veteran material from last year's third place squad besides several capable freshmen performers. Nothdurft, freshman center, has been leading Cape scorer up to date.

The Bearcats squad will make the trip by bus and return to Maryville on Sunday.

Keller Again Heads Credit Union

(Continued from page 1)
ministration faculty, and Mr. Leslie G. Somerville of the education department, were re-elected vice-president and managing director, respectively.

Meeting in Maryville for the fifth annual time, the Union elected the following committee members: Supervisory committee, Pres. Uel W. Lamkin and Mr. W. H. Burr, Maryville, and Mr. L. A. Zeff, Stanberry; credit committee, Mr. S. W. Skelton, Oregon, and Miss Olive S. DeLuce. Other members of the credit committee are Mr. H. T. Phillips, Mr. A. H. Cooper and Miss Minnie B. James, Maryville.

Re-elected to the board of directors were Mr. Otis Thorburn, Savannah, and Mr. E. E. Duffey, Galatin. New members of the board of directors are Mr. G. Frank Smith, Oregon; Mr. Hugh K. Graham, Trenton; and Mr. J. A. Bell, St. Joseph. Members of the board whose terms did not expire this year are Miss Lois K. Halley, R. S. Fadley, F. E. Patrick, Sterling Surrey, Fred L. Keller, Miss Carrie Hopkins, Mr. Somerville, John W. Edie, Charles Meyers and J. Earl Evans.

The group decided, in its meeting last Saturday, to declare a 5 per cent dividend on last year's business. Mr. Somerville presented a report of the business during 1937, and compared it with that done since the Union was organized in 1934.

The report indicated that this year there are 350 members of the Union, while in 1934 there were 122; for last year, 260 loans were made, and in 1934 there were 22, with a total of 473 loans made since the organization of the Union; in 1937, the total amount loaned was \$25,468.37, while in 1934, it was \$1,764.

The total amount loaned since organization was \$41,429.43.

Student Congress for Optional Military

(Continued from page 1)
City, a graduate of Princeton university and president last year of NSFA, was chairman of the commission on peace. The commission drew up its peace platform in two parts, both of which were adopted by the congress in plenary sessions of the entire group.

Following is the rest of the NSFA peace platform for 1938:

Be it resolved that the NSFA goes on record for the following peace actions on the campus:

"We Want to Live Day"

1. Many campuses agree with the idea of annual nation-wide peace action in April, but, for many reasons, object to the connotation of the word "strike". We, therefore, urge that the United Student Peace Committee change the April peace action from the word "strike" to a "We Want to Live Day," or some other appropriate name.

2. In case the U.S.P.C. retains the name "strike," the NSFA shall urge member colleges to sponsor "We Want to Live Day," or some other appropriate name, on the same day of the U.S.P.C. actions. NSFA will sponsor some peace day activities.

Urge Series of Meetings

On this day, the local campus shall hold a rally, mobilization, demonstration, or any measure best suited to its local problems.

4. Since peace should be a year-round problem, not a spontaneous action in April, we urge a series of meetings, rallies, peace library, inter-club peace committee, peace supplements to the newspapers, panels and debates on all sides of the peace question, climaxed by the "We Want to Live Day," or some other appropriate name, in April.

Counsels on Peace

5. We urge student councils, or other groups on the campus, to cooperate with the faculty in seeking adequate courses in the curriculum on peace and international problems.

The commission on peace submitted to the congress the following report which was known as the second part:

1. Commission goes on record as favoring the NSFA's having a peace policy as part of the national program.

2. Resolved: That the NSFA continue its membership in the United Student Peace Committee.

3. Resolved: That the NSFA continue its membership in the National Peace Conference.

Favors Expense Reduction

6. Resolved: That NSFA goes on

record as favoring the reduction of military expenditures of the American government, and urges the war department to save federal expenditures.

8. A. NSFA advises the youth of this country never to leave the borders of the United States to participate in another foreign war. B. We urge, in an endeavor to keep the United States out of foreign wars, that, if a state of war exists in foreign territory, that armed forces be withdrawn after our private interests and our American citizens have been given definite notice by our government to evacuate.

Commends Secretary Hull

9. NSFA goes on record as commending Secretary Cordell Hull's foreign policy and efficient admini-

stration of official policies.

Other resolutions and recommendations for other problems in the student realm will be found in another place in this newspaper.

Zuchowski and Schneider, representing this institution—a member college of the NSFA—left Maryville Sunday morning, Dec. 26, by bus to Kansas City. From Kansas City, the two delegates went on to Albuquerque, N. M., by the Santa Fe railway. They returned to Maryville early Sunday morning, Jan. 2.

ATTENDS EDUCATION MEET

Pres. Uel W. Lamkin was in Kansas City Monday where he attended with other college presidents and educators in the state, a quarterly education conference with Mr.

Lloyd W. King, state superintendent of schools. Routine business conducted at the meeting.
